OUR PLACECOL STORY

The Placecol Skin Care brand was started by Elma McKenzie, a brave and courageous beauty therapist and a legend in the beauty industry in Ermelo South Africa in 1980.

DRENCH YOUR SKIN AT LEAST ONCE A MONTH WITH A PLACECOL FACIAL TO MAINTAIN BEAUTIFUL AND HEALTHY SKIN

A facial is not only a very relaxing experience, but also very effective in changing your skin. The power of a professional facial is vastly underestimated.

At Placecol we do not consider a facial treatment as a luxury, but as a necessity to maintain a healthy skin. We guarantee that you will feel completely re-energised after your facial with us.
